

## Events profawo

profawo organises various events and online sessions for parents, relatives, supervisors and HR staff every year.

### Events for Parents

Under the label «kids & co», profawo organises various online and presentational events for parents. Here, parents are always given tips and tricks, models and strategies.

- Family models: opportunities and pitfalls
- Tips and tricks for family organization
- Parenthood Prep
- My child is going to kindergarten – How do we reorganize so that this step goes well for everyone?

### Events for relatives

Under the label «care & co», profawo organises several online and presentational events for relatives. In these events, course participants are shown further possibilities and tricks.

- Dealing with relatives with dementia
- Living wills
- Balancing act; being needed as parents and being needed by parents
